DEDICATION

*We grew into what we are
Through relationships with people.
We grow into what we can be
Through relationships with people.*

Each time a class graduates, it is with the help of hundreds of people: Parents, Friends, and Faculty members. Throughout our four years of high school, there have been many individuals who have given us guidance, and we would like to express our deepest gratitude for their contributions to our success. These people gave of themselves, volunteering their time and effort so that we might enjoy our high school years. They added new meaning to our lives, sharing with us their knowledge and experience. They enlightened us and helped us grow. There were many difficult moments, but we will always remember the good times.

Therefore we, the Class of 1981, dedicate this yearbook to the countless people who guided, counselled, and befriended us throughout our high school years. May the dreams never die, and the memories never fade.

Fiddler on the Roof

This year's musical production was **Fiddler on the Roof**, the story of a poor Jewish man's attempts to raise his family according to tradition, while surrounded by a changing world. During rehearsal, it looked like the play might be a disaster, but when it opened, everything fell into place. **Fiddler on the Roof** turned out to be a huge success, one of the finest shows Grafton has ever produced. The lead roles of Tevye and Golde were played by Bob Parlin and Denise Ruby. The three oldest daughters were played by Sheila Taft, Lori Flynn, and Melissa Durfee. Other leads included Carl Engvall as Motel Kamzoil, Eric Engvall as Perchik, Mark Baker as Lazar Wolf, and Deb Henault as the Matchmaker. Directed by Mr. Orkiseski and Cathy Burns, the play was a rewarding, exciting, and memorable experience for everyone involved.

SPORTS

FIELD HOCKEY

The 1980 girls Field Hockey team had a spectacular season compiling a record of 14-2-2. For the second year in a row the girls earned a berth in the district play-offs and eventually made it to the finals. Their first district opponent was Assabet; Grafton destroyed their defense in winning game 10-0. Leominster was a somewhat better matched game, but Grafton's offense and defense held together, and came back with a deserved 2-0 victory.

Field Hockey . . . S. W. C. L.

Grafton met a strong Auburn team in the finals and lost a 2-0 decision. Pat Masury set a high school goal scoring a record of 32 in one season. Tri-captains Sue Cragen, Pat Masury, and Chris Reed lead the team to its best season in the history of Grafton high field hockey. Miss Joyce Labonte was outstanding all season long coaching the team to victory after victory.

Football

The football team finished in second place in the SWCL, and was respected as one of the strongest teams in the league. Team captains Sean Padgett, Rick Anderson, Dave Houde, and Ed John, did a great job in getting the team on its feet again after the 1979 season. That they did; their determination, school spirit, and love of the game prevailed in ending with a record of 6-4. The Thanksgiving Day game was exceptional thanks to the fine offensive and defense plays. Seniors Dave Bouthielette, and Dave Houde put in a great performance. The final score was 20-6 Grafton.

CROSS COUNTRY

CROSS COUNTRY

The cross country team had another year of well earned victories. Though graduation took a few valuable players, the team remained as a top contender in the league. Captains Eric Engvall and Danny Pond were outstanding competitors throughout the season. The team finished fourth in the league with an overall record of 8-8.

GIRLS CROSS COUNTRY

This was the first for a girls cross country team. Mr. Coleman also coached the girls as well as the boys, the girls did very well for a first year team with a record of 6-10. Captains this year were Cathy Burns and Karen Waskiewicz. The girls team next will hopefully be more successful with a year of experience.

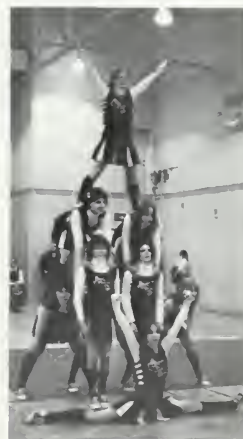

CHEERLEADING

CHEERLEADERS

The cheerleaders were very successful in tournaments this year finishing third in the David Prouty Contest, and second in the Worcester State Tournament. Liana Mancuso captained the team to an outstanding season. Mrs. Kelly coached the team to a very high spirited year.

Boy's Basketball

BOYS BASKETBALL

The boys basketball team had a disappointing season this year ending with a record of 2-16. Lack of height was their main disadvantage, but it never stopped the team from trying. They worked very hard through-out the season. Gary Mewhiney, and Eric Johnson played hard, and aggressively through out the long uneasy season. It was a tough season for first year coach Mr. Egsegien, hopefully next year the winning column will increase in number.

Girls Basketball

GIRLS BASKETBALL

The girls basketball team had its finest season ever in its history at Grafton. The girls worked very hard to achieve an overall record of 10-7. Co-captains Sue Cragan, Chris Reed, and Junior Amy Crawford maintained the offense, while senior Kim Phillips and Junior Lisa Polselli handled the defense. Though the girls had a lack of height, their success was based on "Running the Ball." They ran the ball right into the district play-offs. Though losing to a much taller team, Maynard, the girls performed outstanding all year, thanks to great coaching of Pat Glispin. The girls were very dedicated, and it showed in the way they played and the spirit within the team.

Ice Hockey

ICE HOCKEY

For the second year in a row the boys Ice Hockey team had a fantastic season, with an overall record of 13-3-3. Seniors Mark David, Rick Anderson, and Ron Enman carried the team to yet another victorious season. Junior Tom Hussy and Scott Novick handled much of the offense, while Junior Biran Stover took very good care of the defense. The offense and defense blended perfectly together throughout the season. Grafton again went to the district play-offs, and again played a tough Lunenburg team, and again came home empty losing 5-2. Brian Stover was outstanding throughout the game, recording an amazing 39 saves. The team fought hard but couldn't put the puck in the goal, though Pete Tonelli and Tom Hussey both scored, but the goals were called back. Mr. LeMay did a fine job in coaching Grafton Hockey to another successful season.

Girls Track

The girls track team had an outstanding overall season, ending with a 13-1 record, and finished second in the league. Four-year MVP, Sue Cragan, led the team with strong performances in hurdles, and the 220 yd. dash. Along with Cragan, four other team members qualified for districts, they were: Amy Crawford, Darlene Reiner, Karen Fredericon, and Jean Hamilton. The team, next year will remain strong in all events, since only losing one senior.

Boys Track

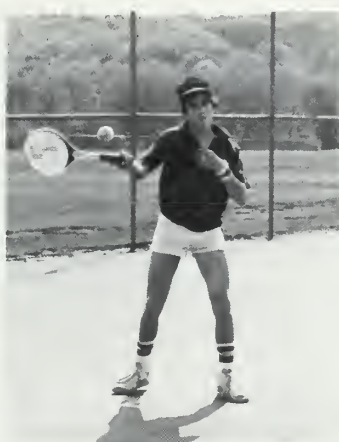

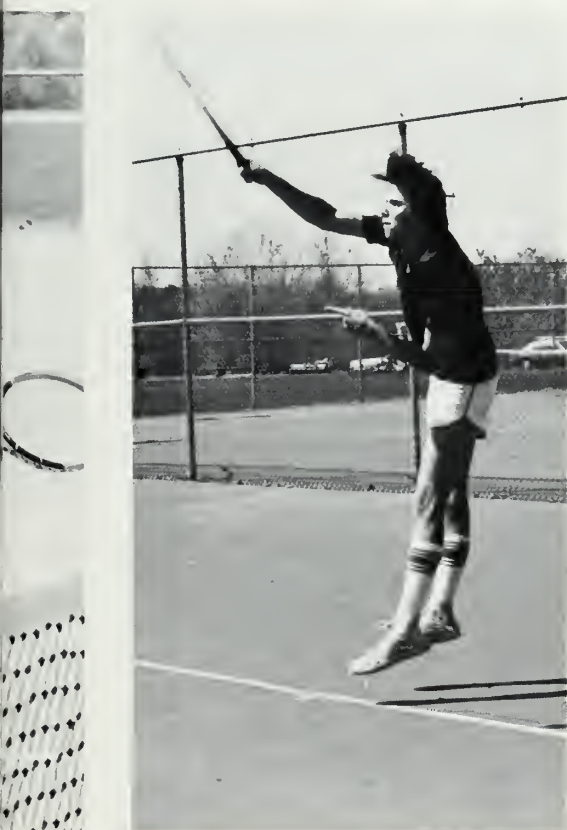

The boys track team finished third in the league, with an overall record of 4-5. MVP Dan Pond, was considered to be the toughest competitor through-out the league. Pond qualified for state competition in two events, the high hurdles and the triple jump. Seniors Bill Tessier, Eric Engvall, Sean Coonan, Gary Bohaboy, and Ron Enman put out strong performances through-out the season.

Girls & Boys Tennis

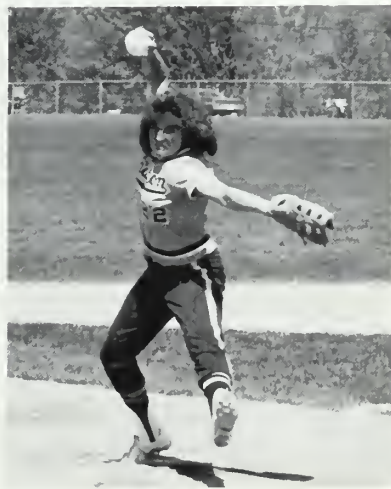

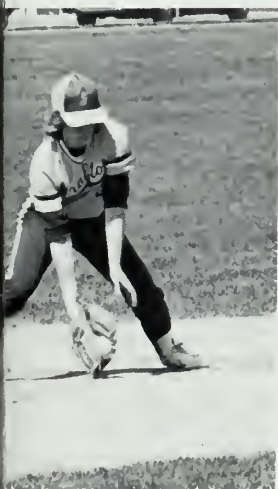

The boys tennis team had a great season this year, with a total of 6 seniors on the teams roster. The boys tallied an overall record of 8-4. Much of the teams success was attributed to the CO-MVP's; Eric Johnson, and Tom Flynn. Seniors, Ken Chenis and Glenn Mewhiney also performed outstanding all season long.

The girls team worked very hard to compile an overall record of 9-7. They did qualify for districts, but lost to a tough rival team Westboro 0-5. MVP, Robin Conte was a super asset to the team her "desire" and "hard work. Seniors, Michelle Metiver, Leanna Mancuso, and Laura Holland all proved to be tough competitors with in the league.

Girls Softball

For the second year in a row the girls won the District III, Division II crown, and qualified for state tournament. Co-MVP's Pat Masury and Kim Phillips were outstanding all season long. Team-work was Graftons main ingredient for success. Though a strong defensive team, the Indians were outstanding at the plate, posting a .484 team batting average. In District play the Girls had a hard time hitting the ball but finally pulled through in the finals. In quarter-finals, Grafton beat Assabet 4-1, semi-finals they beat Monty-Tech 5-4, and the championship game, Grafton destroyed Blackstone-Millville 11-1. Seniors Jean Joncas, a strong hitter and fielder, and Chris Reed also worked very hard during the season.

Boys Baseball

The 1981 Baseball team was superb. Last year the Indians had a somewhat of a poor record. But Grafton was the Cinderella team in the SWCL. With plenty of hard work and self-pride, the Indians succeeded in their post-season goal. Not only did the Indians win the League, they also advanced all the way to the finals of the Districts. In the quarter-final game, Grafton outlasted Bancroft in ten innings. To win 5-4. In the semi-finals they beat Quabbin 4-2, until losing to a tough Blackstone-Millville 5-2, in the finals. MVP Tom Hussey led the team with some strong hitting, while Juniors, Craig Dauphinais, Tom Morris, Philip Prout, and Craig Pauquette carried the pitching arms throughout the season. Next year the team even looks stronger with returning Juniors Brian Stover, Scott Novick, Gary Mewhiney, and Pete Tonnelli. Rick Anderson was the only Senior on the team, his leadership was a great asset to the team.

Wyman-Gordon. We didn't invent wings, but we've helped Man fly to the stars.

Flight. Man's age old dream come true in the 20th Century. Wyman-Gordon Company has been an integral part of making that dream a reality. In fact, Wyman-Gordon has produced quality forgings for nearly every aircraft and space vehicle developed by the United States in the last 40 years. From the crankshaft for the famed Liberty engine that powered many World War I fighters, to structural components for NASA's Space Shuttle, and everything in between.

Forged turbine parts for jet engines that

generate more than 50,000 pounds of thrust at temperatures that can reach 1500 degrees F. Airframe forgings that can support more than 400 tons of jet liner.

Being successful in the aerospace industry means more than making a sale. It means anticipating industry needs, making sure the product performs as the customer expects, assuring the integrity and efficiency of the production process, and delivering on time. That's how we've forged our way to the stars.
